MANAGEMENT DISCUSSION ANALYSIS REPORT

Our Business:

2020 was a highly volatile and challenging year. Covid-19 changed almost every aspect of human lives in ways never imagined. The economic toll from the pandemic was unprecedented. Operational challenges mounted due to restricted movement and disrupted supply lines. As the Covid-19 cases continued to rise exponentially, the economy declined sharply. Our focus was on our people's health & safety, ensuring uninterrupted supplies of Covid-19 relevant portfolio, meeting the demand of consumers arising out of changed behaviour and needs, caring for the communities in which we operate, preserving cash and protecting our business model. As the country navigated through the crisis, the Government and the Reserve Bank of India took effective measures to support a robust economic recovery. The Union Budget 2021 focused on regaining the growth momentum in the economy through several measures including keeping tax rates stable and enhancing investments in infrastructure. The agriculture sector performed well, leading to a strong performance by rural markets. The impact of Covid-19 was more pronounced in metros and bigger towns, resulting in a slower recovery in urban markets. Global trade dynamics, volatile commodity cycles and climate concerns continue to create challenges and uncertainties for companies and categories across the spectrum. New technologies are changing the landscape of the consumer goods market, bringing opportunities for brands and consumers alike. Consumers are shopping through more diverse channels and smaller local brands as well as digital-first brands are increasingly entering the market. In these times, as the consumer and channel landscapes rapidly evolve, we continue to be agile and responsive to leverage market opportunities and deftly navigate through the challenges. By staying close to the consumers and their needs, we ensure that our business continues to grow, while having a positive impact on people and the planet. Our strategy is constantly evolving to adapt to the trends and forces shaping our markets and impacting our multi stakeholders.

Annexure - II to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Active Clothing Co Limited ("the Company") as of 31 March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

In view of the SEBI's circular dated June 08, 2018, all Members of the Company, who are holding shares of the Company in physical form, are requested to take note of the impact of the aforesaid amendment in Regulation 40 on transfer of shares held in physical form w.e.f. December 5, 2018 and get their shares dematerialized at the earliest.

A shareholder can get his shares dematerialized by submitting a Dematerialization Request Form (DRF) to its Depository Participant (DP). ADP is usually an intermediary between a shareholder and the Depository i.e. NSDL & CDSL.

After submission of DRF, a demat request is raised by DP with a unique DRN (Demat Request Number) and the physical share certificates are sent for verification to the concerned authorities (RTA).

Upon verification from RTA, the DP team will convert all the physical share certificates into electronic form. It takes approximately 21 days for the DP team to convert physical shares into demat Form or electronic form.

In case of death of a shareholder before converting shares into demat mode, legal heirs will have to transmit the shares in their name and then get the dematerialization done in their respective names.

In case of loss of physical shares, the shareholder will have to get the duplicate share certificates issued in his name from the Company. After receiving the duplicate share certificates, the shareholder can get his shares dematerialized by filling the DRF.

Request you to please dematerialize your physical shares.
